**Contract Administrator:** Judit Gates 703-797-2288 [contracts@sainc.com](mailto:contracts@sainc.com)

**Business Size:** Other than Small  
**Price list current as of:** Modification #PS-0012 & PS-00013 dated 2/19/2021

Prices Shown Herein are Net (discount deducted)

## CUSTOMER INFORMATION

**1a. Table of awarded Special Item Number(s) with appropriate cross-reference to item descriptions and awarded price(s).**

SIN	SIN Description
541330ENG	Engineering Services
541715	Engineering Research and Development and Strategic Planning
541611	Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services
541420	Engineering System Design and Integration Services
OLM	Order-Level Materials

**1b.** Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. **Labor Rates begin on Page 4.**

**1c.** If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item. **Labor category descriptions begin on Page 11.**

**2. Maximum order:** \$1,000,000

**3. Minimum order:** \$100

**4. Geographic coverage (delivery area):** Worldwide

**5. Point(s) of production (city, county, and State or foreign country):** Same as Company Address

**6. Discount from list prices or statement of net price:** Government Net Prices (discounts already deducted.)

**7. Quantity discounts:** 1% off single task orders exceeding \$1,000,000

**8. Prompt payment terms:** Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions. Net 30

**9. Foreign items (list items by country of origin):** Not Applicable

**10a. Time of delivery:** (Contractor insert number of days.) To Be Determined at the Task Order level

**10b. Expedited Delivery:** Items available for expedited delivery are noted in this price list. Contact Contractor

**10c. Overnight and 2-day delivery:** Contact Contractor

**10d. Urgent Requirements:** Contact Contractor

**11. F.O.B. point(s):** Destination

**12a. Ordering address(es):** Same as Contractor Address

**12b. Ordering procedures:** For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

**13. Payment address(es):** Same as Contractor Address

**14. Warranty provision:** Standard Commercial Warranty Terms & Conditions

**15. Export packing charges, if applicable:** Not Applicable

**16. Terms and conditions of rental, maintenance, and repair (if applicable):** Not Applicable

**17. Terms and conditions of installation (if applicable):** Not Applicable

**18a. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable):** Not Applicable

**18b. Terms and conditions for any other services (if applicable):** Not Applicable

**19. List of service and distribution points (if applicable):** Not Applicable

**20. List of participating dealers (if applicable):** Not Applicable

**21. Preventive maintenance (if applicable):** Not Applicable

**22a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants):** Not Applicable

**22b. Section 508 Compliance:** If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: [www.Section508.gov/](http://www.Section508.gov/).  
Not Applicable

**23. Data Universal Number System (DUNS) number:** 153878996

**24. Notification regarding registration in System for Award Management (SAM) database:**  
Contractor registered and active in SAM

**HOURLY RATES FOR SERVICES

## LABOR CATEGORY DESCRIPTIONS

Strategic Analysis' commercial practices include the education/experience substitutions identified below. In order to be consistent with commercial practices, Strategic Analysis utilizes the below education/experience substitution for all GSA labor categories.

2 Years Experience	Equals	Associate's Degree
2 Years Experience + Associate's Degree	Equals	Bachelor's Degree
4 Years Experience	Equals	Bachelor's Degree
3 Years Experience + Bachelor's Degree	Equals	Master's Degree
7 Years Experience	Equals	Master's Degree
4 Years Experience + Master's Degree	Equals	Ph.D.

SIN	Job Title	Functional Responsibility	Minimum Education	Minimum / General Experience
541330ENG 541715 541420 541611	<b>ADMINISTRATIVE SUPPORT I</b>	Provides administrative support to technical and management-level personnel. This may include: documentation planning and support, project administration, general office support, executive secretarial support, human resource support, event planning and administration, and records and data input. Executes assignments under direct supervision.	High School	0
541330ENG 541715 541420 541611	<b>ADMINISTRATIVE SUPPORT II</b>	Provides administrative support to technical and management-level personnel. This may include: documentation planning and support, project administration, general office support, executive secretarial support, human resource support, event planning and administration, and records and data input. Executes assignments under general direction and supervision.	High School	1
541330ENG 541715 541420 541611	<b>ADMINISTRATIVE SUPPORT III</b>	Provides administrative support to technical and management-level personnel. This may include: documentation planning and support, project administration, general office support, executive secretarial support, human resource support, event planning and administration, and records and data input.	High School	5
541330ENG 541715 541420 541611	<b>ENGINEER I</b>	Under direct supervision, assists in the technical functions required to support engineering, research, and development projects and activities, such as program planning, evaluation and research.	Bachelors	0
541330ENG 541715 541420 541611	<b>ENGINEER II</b>	Under general supervision, participates in engineering, research, and development projects and activities such as program planning, evaluation and research. .	Masters	3
541330ENG 541715 541420 541611	<b>ENGINEER III</b>	Participates in engineering, research, and development projects and activities such as program planning, evaluation and research.	Masters	5
541330ENG 541715 541420 541611	<b>INFORMATION SERVICES CONSULTANT</b>	Provides technical expertise to help user groups solve business problems through information technology. Utilizes diverse technical expertise to study and analyze system needs, processes, design. Makes recommendations regarding system development, design and re-engineering. Typically has specialization in a particular software or business application.	Masters	10
541330ENG 541715 541420 541611	<b>PROGRAM ANALYST I</b>	Under direct supervision, assists in support and analysis of program operations. May be involved in various aspects of a program from planning to execution, including financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support.	Bachelors	0

SIN	Job Title	Functional Responsibility	Minimum Education	Minimum / General Experience
541330ENG 541715 541420 541611	PROGRAM ANALYST II	Under general supervision, assists in support and analysis of program operations. May be involved in various aspects of a program from planning to execution, including financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support.	Bachelors	3
541330ENG 541715 541420 541611	PROGRAM ANALYST III	Applies analytical and evaluative methods and techniques to support program operations. May be involved in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support.	Bachelors	5
541330ENG 541715 541420 541611	PROGRAM ANALYST IV	Applies analytical and evaluative methods and techniques to support program operations. May be involved in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support. May be responsible for leading projects.	Bachelors	7
541330ENG 541715 541420 541611	PROGRAM MANAGER I	Manages execution of program tasks, provides technical direction to support staff, and interfaces with Government personnel to effectively allocate resources. May assess programs and develop technology solutions.	Bachelors	3
541330ENG 541715 541420 541611	PROGRAM MANAGER II	Manages execution of program tasks, provides technical direction to support staff, and interfaces with Government personnel to effectively allocate resources. May assess programs and develop technology solutions.	Bachelors	5

Conducts research and disseminates results of studies. Evaluates proposed solutions in a specific or related technical area. May lead research activities or supervise a team.	Masters	7
541330ENG 541715 541420 541611	SENIOR ADMINISTRATIVE SUPPORT I	Provides program support, including executive assistance, data review and analysis, or meeting and event planning.	Bachelors	2
541330ENG 541715 541420 541611	SENIOR ADMINISTRATIVE SUPPORT II	Provides program support, including executive assistance, data review and analysis, or meeting and event planning. May coordinate the activities of assigned personnel in the planning, integration and execution of assigned projects.	Bachelors	4
541330ENG 541715 541420 541611	SENIOR ADMINISTRATIVE SUPPORT III	Provides program support, including executive assistance, data review and analysis, or meeting and event planning. May coordinate the activities of assigned personnel in the planning, integration and execution of assigned projects.	Bachelors	6
541330ENG 541715 541420 541611	SENIOR ADMINISTRATIVE SUPPORT IV	Provides program support, including executive assistance, data review and analysis, or meeting and event planning. May organize and lead the activities of assigned personnel in the planning, integration and execution of complex projects.	Bachelors	8
541330ENG 541715 541420 541611	SENIOR ENGINEER I	Applies expert practices and procedures within the specified area of discipline, accomplishes scientific and engineering analysis, provides professional findings of technical analysis in the form of reports and presentations, and executes complex technical tasks.	PhD	5
541330ENG 541715 541420 541611	SENIOR ENGINEER II	Applies expert practices and procedures within the specified area of discipline, accomplishes scientific and engineering analysis, provides professional findings of technical analysis in the form of reports and presentations, and executes complex technical tasks. May coordinate a team of technical experts in the accomplishment of complex tasks.	PhD	7
541330ENG 541715 541420 541611	SENIOR ENGINEER III	Applies expert practices and procedures within the specified area of discipline, accomplishes scientific and engineering analysis, provides professional findings of technical analysis in the form of reports and presentations, and executes complex technical tasks. May lead a team of technical experts in the accomplishment of complex tasks.	PhD	9
541330ENG 541715 541420 541611	SENIOR PROGRAM ADMINSTRATOR I	Contributes to preparation of management plans and various customer reports. Under general guidance, develops and presents results to program and executive management and provides direction to other administrative personnel. Coordinates schedules to facilitate the completion of task order and change proposals, contract deliverables, task order reviews, briefings and presentations, and IPR preparation. Performs analysis, development, and review of program administrative operating plans and procedures.	Bachelors	5
541330ENG 541715 541420 541611	SENIOR PROGRAM ADMINSTRATOR II	Prepares management plans and various customer reports. Develops and presents results to program and executive management and provides direction to other administrative personnel. Coordinates schedules to facilitate the completion of task order and change proposals, contract deliverables, task order reviews, briefings and presentations, and IPR preparation. Performs analysis, development, and review of program administrative operating plans and procedures. May lead projects.	Bachelors	7

SIN	Job Title	Functional Responsibility	Minimum Education	Minimum / General Experience
541330ENG 541715 541420 541611	SENIOR PROGRAM ADMINSTRATOR III	Manages the preparation of management plans and various customer reports. Develops and presents results to program and executive management and provides direction to other administrative personnel. Coordinates schedules to facilitate the completion of task order and change proposals, contract deliverables, task order reviews, briefings and presentations, and IPR preparation. Performs analysis, development, and review of program administrative operating plans and procedures. May manage cross-functional teams and oversee complex projects.	Bachelors	9
541330ENG 541715 541420 541611	SENIOR PROGRAM ANALYST I	Anticipates, researches, identifies, and develops solutions to customer problems. Applies analytical and evaluative methods and techniques to support program operations. Participates in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support. May be involved in strategic planning and/or plan and lead projects.	Bachelors	9
541330ENG 541715 541420 541611	SENIOR PROGRAM ANALYST II	Anticipates, researches, identifies, and develops solutions to customer problems. Applies analytical and evaluative methods and techniques to support program operations. Participates in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support. May contribute to strategic planning and/or plan and lead smaller projects.	Bachelors	10
541330ENG 541715 541420 541611	SENIOR PROGRAM ANALYST III	Anticipates, researches, identifies, and develops solutions to customer problems. Applies analytical and evaluative methods and techniques to support program operations. Participates in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support. May coordinate strategic planning efforts and/or plan and lead projects.	Bachelors	13
541330ENG 541715 541420 541611	SENIOR PROGRAM ANALYST IV	Anticipates, researches, identifies, and develops solutions to customer problems. Applies analytical and evaluative methods and techniques to support program operations. Participates in various aspects of a program from planning to execution, including: financial management, coordination and liaison, training, research, technology analysis, business planning and management or product support. May lead e involved in strategic planning efforts and/or plan and lead projects. May supervise cross-functional teams, and act as liaison with government client.	Bachelors	15
541330ENG 541715 541420 541611	SENIOR PROGRAM MANAGER I	Executes and manages complex technical tasks, applying analytical problem-solving methodologies. Provides technical direction to support staff, interfaces with Government and prime contractor personnel, and effectively allocates resources. May plan, evaluate, direct, and coordinate basic applied research and advanced development projects.	Masters	8
541330ENG 541715 541420 541611	SENIOR PROGRAM MANAGER II	Executes and manages complex technical tasks, applying analytical problem-solving methodologies. Provides technical direction to support staff, interfaces with Government and prime contractor personnel, and effectively allocates resources; May plan, evaluate, direct, and coordinate basic applied research and advanced development projects. May oversee several large projects or teams.	Masters	10

SIN	Job Title	Functional Responsibility	Minimum Education	Minimum / General Experience
